

Lochinver2 Main Street Proposal Map

Potential Development Opportunity

- ❶ Develop units on sea front into whisky shop and community shed for fixing things.
- ❷ Repurpose the old mechanics shed behind the former Post Office into useable space.
- ❸ Expand the seafront walkway to create a wider, more accessible promenade with seating areas and benches.
- ❹ Create a fenced, publicly accessible dog park on the land behind Crumar to provide a safe, dedicated space for exercise and responsible dog use.
- ❺ Glebe Affordable housing development. Develop a new play park beside the new housing area to provide a safe, accessible play space for children.
- ❻ Explore the potential for a small-scale hydro scheme on the River Culag to generate community-owned renewable energy, designed with integrated fish passes to protect and enhance local ecology.

- 7 Create a safe walking and cycling route from the new housing area, crossing the River Culag, to provide direct access to the school.
- 8 Widen single track road and verge to allow for footpath to the village.
